

Celebrate Mid-Autumn Festival with exclusive Crystal Jade mooncakes!

Celebrate this year's Mid-Autumn Festival, an ancient harvest celebration originating from the Shang Dynasty (1600 – 1046 BC), with exclusive mooncakes that come in two rich flavours.

Two (2) pieces of White Lotus with Egg Yolk and two (2) pieces of White Lotus Paste are elegantly encased in a luxurious Crystal Jade treasure box, together with a special dice game set.

Carrying the tradition of sharing luck to families and friends, the Mid-Autumn Festival, also called Mooncake Festival, now symbolizes a time of gathering as families show gratitude for blessings and harmonious unions.
